...for some singing, movement and lots of fun! As well as having a stimulating time, you will come away with tips and ideas to boost your child's language development

Claire & Rachel are two specialist Speech and Language Therapists (& Mums!) with a passion for early language development.

Each session will focus on a different skill area, including: Listening and attention, turn taking, eye contact and building vocabulary.

All of the things covered in the Babbling Babies classes can be done at home with you, your partner or the main caregiver and your child.

**5 sessions running weekly on **Thursdays** starting  
**10th September 2015****

at The Wharf Nursery School & Children Centre,  
Woolsack Way, Godalming, GU7 1JG  
from **2.45pm** to **3.30pm**

**£5 per child per session / £22 all 5 sessions advanced booking**

We want to show you how to maximise your  
child's communication potential
